

A crown of glory—is a beautiful head of hair. An Australian lady now in London writes under date Jan. 28, 1907:

"Ayer's Hair Vigor has done my hair a world of good. Thanks to it, my hair is now thick, glossy, and soft, and when plaited is 55 inches long. Ayer's Hair Vigor ought to be used by every woman who takes pride in her appearance."

You also may have such a crown of glory if you will follow the example of this lady and use

Ayer's Hair Vigor

It will remove all dandruff and make your hair rich and abundant.

SPORTS

WEBBER AND THE MATOR

According to reports from Hilo great interest is being taken in the match race between Webber and Major Collier which takes place for a purse of \$1000 on New Year's Day.

Webber is a little lame while Major Collier is working as well as a good sound horse could be expected to. Webber only beat Major Collier half a length in the Merchants' Stakes on the Fourth of July and then Collier had seventeen pounds the worst of the weights.

One thing is certain and that is that Webber cannot be lame and beat the Major. If Webber gets over his trouble, however, he is certain to make things interesting for the Horner horse.

Another interesting match will be between Colin McLennan's Pocahontas and J. T. Moir's J. I. The distance is a sprint and the winner is hard to pick for it is doubtful if two worse horses could be found anywhere. Pocahontas is by Galveston and ran last in every one of his starts at the Coast, where he was owned by G. S. McKenzie, usually with odds of 500 to 1 offered against him. He has not yet started on a local track.

O'ROURKE'S HORSE WINS

St. Avon, owned by John O'Rourke of Hilo and trained by Charlie David of Honolulu won a race at Emeryville the other day after two or three unsuccessful starts.

The distance was six furlongs and the horse was ridden by Mercepai, an apprentice who was having his first mount in a race and who scaled only 84 pounds. The race was run in 1:18 on a sloppy track. St. Avon started at fifteen to one and getting away badly came from behind and beat Currier by a head.

St. Avon is a four-year-old brown horse by St. Avonius out of Kitty A., and has performed well on the Coast during the past two seasons. David will soon have Banonica, which has been shipped to the coast in racing fettle and these two useful nags should manage to earn hay and corn for the winter.

WILL RACE TEN MILES

Arrangements are under way for a ten-mile race at the Athletic Park on New Year's day.

While nothing has been officially announced as yet, it is understood that the entries of Anton Kaoo, the Marathon champion; Tsukamoto, and Nigel Jackson have been secured, and that the first prize will be guaranteed not less than \$200.

An open ten-mile race would undoubtedly appeal to the sporting public but due notice of such an event should be given in order that a representative lot of entries could be obtained.

SPORTDRIFT

Von Hamm-Young Co. have sold a six-cylinder Thomas Flyer 1910 to J. and of Kohala.

J. D. Dole has ordered from Von Hamm-Young Co. a Cadillac "30" to be used by Mr. Arnold between the pineapple cannery at Iwilei and the plantation at Waiawa.

Domingo Ferreira has shipped his mare Lady Bernice to Emeryville, failing to get a race for her here. It is not improbable that the mare is the six-year-old runner Lady Alicia by Sir Dixon out of Kenmore Queen, an animal that has raced in California before with moderate success.

WALL CUP FINAL PLAY

The Wall tennis cup finals will be played on the Beretania courts this afternoon, commencing at 3:30 o'clock. A. L. Castle will oppose Captain Low, U. S. M. C. The match should prove interesting. Castle and Low are both finished players and are sure to make a close, keen fight of it.

Tomorrow afternoon at 3:30 o'clock, the winner of today's game will play E. S. Gee, defender of the trophy. The cup has to be won twice before passing into individual ownership.

LATEST OF THE WALKERS

Entries for the fat man's and veterans' walking races will be received at the offices of the local newspapers until tomorrow night, after which no entries will be accepted. The condition in the heavy-weight race is 210 pounds and in the veterans' event sixty years.

Sullivan Kaoo and Ayres are all practicing hard and the championship will be fought out by these three walkers.

Sullivan is the youngest of the trio and possesses remarkable endurance and a very fair turn of speed. It is extremely likely that he will lower the record for the course of 15:24, held by himself, next Sunday. Some time ago he made a statement that he expected to cover the distance in at least 14:25, and if he can do this the race must be conceded to him. It will be pretty tall walking, however.

Kaoo is improving under the training of Ayres and is walking fairly and squarely and with a rare turn of speed. In last Sunday's race he got no use out of his arms. Since then he has learned to use them in such way that they not only increase his speed but keep him from breaking.

Ayres has been over the course two or three times this week and is showing some of his old-time form. His wind, the thing that has troubled him in previous races, is improving, and he is gradually working himself into a state of fitness.

All in all it looks as if the race next Sunday would result in one of the most exciting contests in the annals of pedestrianism in Hawaii.

The veteran's race and heavyweight contest will start at 2 p. m. and the open race half an hour later.

The Hawaiian band will play at the Waikiki Inn from 2 till 4 o'clock.

MAILES ARE STILL STRONG

The soccer games tomorrow will be Mailes vs. High School at two o'clock, and Punahou vs. Iron Works at 3:15 p. m.

The Mailes should win from the High School, though the game should be a good one. The Mailes seem to have the same clever combination which has won them so many championships and which should carry them successfully through the present season. They play the game every time and what is frequently termed the Mailes' luck is, as a general thing, anything but luck; rather the result of hard practice and intelligent coaching.

The Punahou should get away with the Iron Works pretty easily. The former team looks to be the second strongest in the league and the one which threatens most danger to the wearers of the green and gold.

BOTH NINES HAVE CLASS

Interest in the coming series of baseball games between the Diamond Heads and the Japanese Athletic Club is growing apace and the series promises to be one of the most exciting ever played on a local diamond.

Bert Bower will umpire and this is good news for the fans for it ensures the first-class work that they demand when important games are played.

Both teams are practicing for the struggle and the players of both sides profess the utmost confidence as to the issue.

In the past it has been the proper thing to talk loudly of the class of the major league teams as compared with that of the minor league nines. Just what they meant by "class" would puzzle eight out of ten of the upholders of the senior league nines to define. There is such a thing as class, however, and it is going to cut a vital figure in the coming games. Knowledge of and timely application of the latest fine points of the game, improved signals and coaching, obedience and discipline, training and keenness, all go to make up that hard-to-define word "class."

Both the Japs and the Diamond Heads possess class, though in just what degree the coming series can alone prove.

THE CAUSE.

The first causes of Indigestion, Biliousness, Loss of Appetite, Headache, Dizziness, etc., is constipation. Don't take cathartics, as they irritate the lining of the bowels, and are only a temporary relief. Dr. Miles' Nerve and Liver Pills permanently cure by strengthening the nerves of the stomach and liver. They effect a mild, natural movement.

EXHAUSTED BRAIN
is a fruitful cause of paralysis, paralysis, epilepsy, insanity, etc. The early symptoms are headache, sleeplessness, irritability, etc., and the preventions and permanent cure of all such disorders is Dr. Miles' Restorative Nervine. At druggists. If first bottle fails to benefit, money back.
